

ROBG-160 Coordinating and supporting the modernization of the public health services in Dolj - Vratsa

What's the goal?

To improve the cooperation capacity and efficiency of the public health players in a CBC context, in DJ-VR.

What's the budget?

1,483,009.98 euro, out of which 1,260,558.48 ERDF

Target at the half of the implementation period: 176,209 euro for Lead Beneficiary, 129,669 euro for Beneficiary 2 and 9,613 euro for Beneficiary 3.

Who is doing it?

Lead partner: Territorial Administrative Unit Dolj County (Romania)

Partner: Municipality of Kozloduy (Bulgaria)

Partner: Clinical Emergency County Hospital Craiova (Romania)

Partner: Vratsa District Administration (Bulgaria)

When is it happening?

Start date: 21.04.2017

End date: 20.04.2019

Duration: 24 months

Where is it happening?

Craiova Town, Dolj County, Romania

Vratsa Town, Kozloduy Town, Vratsa District, Bulgaria

How is it going to happen?

- Organizing 5 conferences in Dolj, Kozloduy and Vratsa;
- Publicity materials (roll-up, banners, billboards, leaflets, sets of personalized folders + pens + notepads for project events, press articles);
- Analysing the current situation of healthcare services in Dolj and Vratsa;
- Improving patients access to health services in cardiovascular surgery, by endowing Beneficiary 3 - Clinical Emergency County Hospital Craiova with a complete Operation Room;
- Increasing the quality of access to free public healthcare offered in Vratsa district by Multi-profile hospital for active medical treatment “Ivan Rilski”-Kozloduy;
- Construction and renovation work on the “Ivan Rilski” hospital’s wards; reconstructing of walls, ceilings, floors, electrical and pipe installations and installation of an elevator;
- Study case on cardiovascular surgery services at cross-border level in Dolj and Vratsa;
- Setting up professionals’ networks by exchanging skills and expertise in cardiology, obstetrics & gynecology, neurology, general surgery and intensive care;
- Creating awareness upon cross-border medical assistance in Dolj & Vratsa.

What will be the results (what’s the contribution to the Programme)?

Programme outputs:

- 8 supported cross border mechanisms to enhance cooperation capacity: 1 technical working group; 1 study on health systems & 1 study case; 1 seminar with public health players & 1 cooperation framework endorsed by participants; 1 cooperation agreement by Beneficiary 2 - Municipality of Kozloduy & Beneficiary 3 - Clinical Emergency County Hospital Craiova; 1 professionals network in 5 medical specialties and 1 internet portal for information and awareness of patients & professionals.

Programme results: increased level of co-ordination of the public institutions in the eligible area
